

4.1 Field of vision

The indication of the denomination of the product, the alcoholic strength, the net contents and the country of origin must figure in the single field of vision, without prejudice to specific, domestic market provisions, which are less restrictive.

The indication of the name and address of the person responsible for pre-packages as in point 2.6, *substances known to cause hypersensitivity, including allergies, inter alia* as in point 2.3, batch identification as in point 2.7 and any other indications may appear anywhere on the label.

Nevertheless, any of the above-mentioned indications can be repeated in any part of the label.
