1. SUBJECT

Definition of conditions and procedure for granting sponsorship of the O.I.V. for international wine and spirited beverages of vitivinicultural origin competitions in accordance with article 24.3 of the Internal Rules.

2.2. The competition must have an international outlook.

- Participation in a previous competition with samples from at least 8 countries for general competitions or at least 5 for category competitions is required;
- At least 20 % for general competitions or at least 15 % for category competitions of total number of samples presented at the previous competition must come from countries other than the organiser's.

2.3. Each competition shall require the presentation of over 500 samples for general competitions or 300 for category competitions at a previous competition. However, in derogation of this rule, international competitions which have the accreditation or tutelage of public bodies of organiser countries may be exempted from observing the limits mentioned in points 2.2 and 2.3 to request patronage of the O.I.V.
