RESOLUTION ECO 7/2008

GRAPE SPIRITS

THE GENERAL ASSEMBLY,

CONSIDERING the works of the expert groups "Spirits, alcohols and spirit beverages of vitivinicultural origin" and "International Code on Oenological Practices",

DECIDES

Upon the joint proposal by Commission II “Oenology” and Commission III "Economy and Law" to include the following definition in the aforementioned "International Code":

PART I

Chapter 7: Distillates, spirits, alcohols and spirit beverages of vitivinicultural origin

7.9 Grape spirits

A spirit beverage obtained by the distillation of fresh fermented grapes with the result that the distillate retains the taste and aroma of the above-mentioned raw materials.

Alcoholic strength of the end product must not be less than 37.5% volume.
