RESOLUTION OENO 9/95

WINE, NUTRITION AND HEALTH TO INFORM WITH OPERATORS' SUPPORT

THE GENERAL ASSEMBLY,

ON THE PROPOSAL of the Sub-Commission "Nutrition and Health", taking into account the work of the Expert Group Social Aspects of "Wine Consumption":

CONSIDERING that the O.I.V. is pursuing a study programme on the social, nutritional, health and educational aspects associated with wine consumption,

CONSIDERING that this programme may provide useful and current information on the subject of wine consumption,

PROPOSES to give this information the widest possible diffusion,

ASKS the Director General to make a rapid study of the possibility of creating a structure by which the mobilisation of the operators in the field may be solidified, in order to support the abovementioned programmes of information, diffusion and development.

Certified in conformity Punta del Este, 1st December 1995
